**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES  
REGION 15 (IOWA) PUBLIC SAFETY REGIONAL PLANNING COMMITTEE TO HOLD 700  
MHZ REGIONAL PUBLIC SAFETY PLANNING MEETINGS**

The Region 15 (Iowa) 700 MHz Public Safety Regional Planning Committee (RPC) will hold meetings on Wednesday, February 11, 2009 and Wednesday April 8, 2009, from 1:30 p.m. to 3:30 p.m., at the Iowa State Patrol Communications Radio Repair Meeting Room, 5912 NW 2<sup>nd</sup> Avenue, Des Moines, Iowa. The purpose of the meetings is to review Region 15 700 MHz plan recommendations and to vote on the draft plan.

The Region 15 700 MHz Public Safety RPC meetings are open to the public. It is essential that public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's rules, 47 C.F.R. § 90.523, be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in planning for the use of public safety spectrum in the 700 MHz band within Region 15 should plan to attend. For further information, please contact:
